### 检验报告单

## Certificate Of Analysis

SPE-3033.01-02 附件 1.02

|  |   |                                     |
|--|---|-------------------------------------|
| 产品名称: 1-乙基-(3-二甲基氨基丙基)碳酰二亚胺盐酸盐   |   |                                     |
| Product Name: 1-Ethyl-3-(dimethylaminopropyl) carbodiimide hydrochloride                               |   |                                     |
| CAS 号:<br>CAS Number:  | 25952-53-8  | 生产日期:<br>MFG Date:                  |
| 批号:<br>Lot No.:  | ATH3-20240701                                     | 复验日期:<br>Retest Date:               |
| 执行标准:<br>Specification:  | SPE-3033.01-02                                    | 报告日期:<br>Report Date:               |
| 储存条件: 20℃以下密封保存。<br>Storage: Stored in a well-closed container at temperature not more than 20 degree. |   |                                     |
| 其他信息 Other Info: NA  |   |                                     |
| 检测项目<br>TEST ITEMS   | 标准限度<br>LIMITS                                    | 检测结果<br>RESULTS                     |
| 外观<br>Description  | 白色结晶或结晶性粉末<br>White crystal or crystalline powder | 白色结晶性粉末<br>White crystalline powder |
| 水分<br>Water (KF)   | ≤ 0.5%  | 0.06%                               |
| 熔点<br>Melting point  | 108~114℃  | 112~113℃                            |
| 炽灼残渣<br>Residue on ignition  | ≤ 0.1%  | 0.03%                               |
| 含量(滴定)<br>Content (By titration)   | 98.0~102.0%                                       | 99.6%                               |
| 结论<br>Conclusion   | 符合<br>Conform                                     |                                     |
